

Dear IEA Account Holders,

We are excited to announce that the IEA Program is hosting a virtual training session for all account holders on the 50 Percent Spending Requirement for each contract year. This training has been carefully designed to provide you with valuable insights and knowledge on meeting spending requirements that comply with IEA Statute, State Board of Education Rule, and the IEA Account Holder Handbook.

Whether you are a first-time participant or have prior experience with the program, we encourage all account holders to participate. Even if you have attended a similar training in the past, it can be beneficial to refresh your knowledge and stay updated with any changes or improvements in the program.

Please mark your calendars, and we look forward to seeing you on:
